ABOUT US

Easyway Engineering Services, founded in 2018 by Mr. **S. Sivasurendiren**, is a professional and independent Third-Party Inspection, **Testing, Manpower**, and **Quality Assurance** service provider headquartered in Tamil Nadu, India.

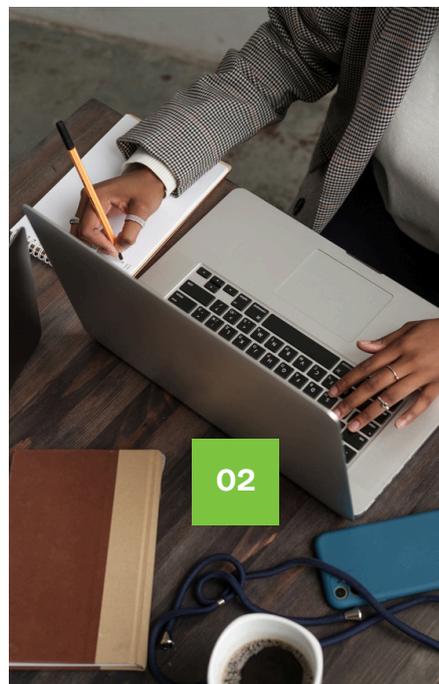

We specialize in offering **accurate, unbiased, and internationally compliant inspection services**, along with **skilled engineering manpower** across multiple industrial sectors. Over the years, we have established a strong presence in government, public-sector, and corporate projects, consistently delivering results that meet the highest standards of quality and safety.

OUR VISION

To become a **globally recognized, reliable, trusted engineering inspection and manpower partner**, known for integrity, precision, and continuous improvement.

► Audit & Certification Services

We provide independent audit and certification services to ensure compliance with statutory, technical, and international quality standards across operations and supply chains.

- **ISO Certification Support (9001, 14001, 45001, etc.)**
- **Factory & Supplier Audits**
- **Compliance & QMS Audits**

Major Experience Areas

Since 2018

NSDC – Inspection & Monitoring Services

Easyway Engineering Services is fully equipped to deliver independent, unbiased, and NSDC-compliant inspection and monitoring services across training centers, skill development projects, and sector-specific job roles under the National Skill Development Corporation (NSDC).

A. TRAINING CENTER INSPECTION & ACCREDITATION SUPPORT

- Physical verification of infrastructure, tools & equipment
- Validation of NSQF-aligned laboratory setups
- Verification of safety, hygiene, and classroom standards
- Geo-tagged inspection with timestamped evidence
- Trainer qualification verification as per SSC norms
- Center readiness reporting for accreditation

B. ASSESSMENT & EVALUATION SUPPORT

- Candidate assessment monitoring
- Validation of assessor qualifications
- Attendance, batch documentation & compliance checks
- Practical & viva assessment evidence capture
- Real-time monitoring and reporting

C. COMPLIANCE, AUDITS & QUALITY ASSURANCE

- Infrastructure compliance audits as per NSDC guidelines
- Training delivery audits
- Document, attendance, and batch verification
- Digital reporting through photos, videos & GPS-enabled data

D. SECTOR SKILL COUNCIL (SSC) ALIGNMENT

Easyway Engineering Services supports inspections and monitoring for multiple Sector Skill Councils, including:

- Construction Skill Development Council of India (CSDCI)
- Capital Goods Sector Skill Council
- Electronics Sector Skills Council
- Telecom Sector Skill Council
- Agriculture, Plumbing, Automotive, and additional SSCs as required

E. DIGITAL TOOLS & TECHNOLOGY

- Mobile-app-based inspection
- Geo-tagged photos & videos
- QR-based candidate and trainer verification
- Secure cloud-based documentation
- Instant reporting in NSDC-approved formats

F. TEAM STRENGTH FOR NSDC ASSIGNMENTS

- Trained field inspectors with NSDC/QCI project experience
- Certified assessors across various sectors
- Engineers, auditors & technical staff with 5–10 years of field experience
- Pan-India network capability for rapid deployment

States We Worked

- Tamilnadu
- Andra Pradesh
- Telangana
- kerala
- Karnataka
- Andhaman Nicobar

QCI, Government & National Projects (2018 – Till Now)

Swachh Bharat Mission – Rural & Urban

- IHHL (Individual Household Latrine)
- ODF, ODF+, ODF++, Water+
- Multi-year execution (2018 to present)

Government & Infrastructure Inspections

- Indian Railways Quality Inspections
- SWACHH TELANGANA – State Quality Projects
- Police Station (SHO) Infrastructure Inspections
- Airport Facility & Safety Inspections
- Electricity Board Inspections
- ICCC – Integrated Command & Control Centre (2024–2025)
- STP – Sewage Treatment Plant Inspections
- IEC Inspection Projects

National Health Missions

- PMJAY – Ayushman Bharat (2024)
- AYUSH Siddha Hospital Inspection (2025)

Environmental & Sustainability

- MVA 4.0 – Majhi Vasundhara Abhiyan

QCI, Government & National Projects (2018 – Till Now)

Food & Public Distribution

- FCI – Infrastructure & Warehouse Inspections
- Bharath Brand Rice Quality Assessments
- RAMSS – Raw Material Supply Scheme
- CWC – CENTRAL WAREHOUSE AUDITS

Other Notable Experience

- RO (Reverse Osmosis) Plant Inspections
- Swachh Survekshan 2021

States We Worked

- Tamilnadu
- Andra Pradesh
- Telangana
- kerala
- Karnataka
- Andhaman Nicobar

Company Audits & Industrial Experience

Southern Railway Inspection – Coach Cleaning & Maintenance

- Daily and intensive coach cleaning
- Interior/exterior care, high-pressure washing
- Water tank maintenance
- Amenities inspection, repairs & replacements
- Painting, stenciling & signage
- Structured QA audits
- Use of advanced tools, chemicals & trained manpower

Telecom Tower Projects – Indus, ATC, Airtel, Tower Vision

- Structural audits of towers
- Safety & compliance evaluation
- Quality assurance monitoring
- Construction & maintenance inspections

Brickstone Projects – Inspection & Documentation

- Infrastructure & equipment inspection
- Evidence collection for compliance

Company Audits & Industrial Experience

IOCL – DHURUV & Retail Outlet Audit

- HSE (Health, Safety & Environment) audits
- Operational and statutory compliance
- Quality & quantity evaluation
- Infrastructure inspection (gensets, panels, illumination etc.)

OUR CLIENTS

Team Strength & Competency

Engineers with 10+ years of QCI project experience

Engineers with 5+ year experience at IOCL, Kerala

Site Engineers, Safety Engineers & Skilled Labour with 5+ years field experience

Certified professionals in:

- AWS
- ASNT Levels
- ISO Lead Auditing
- API
- NACE Coating Inspection

Standards & Compliance

ASME, AWS, API, ASTM

QCI Guidelines

Government & Industry-Specific Specifications

Team Strength & Competency

> Modern inspection tools: Thickness Gauges, DFT Meters, Welding Gauges, NDT Equipment

> Photograph-supported inspection reports

> PDF, Excel & custom report formats

> Digital documentation and secure data handling

Founder's Message

Mr. S. Sivasurendiren,

Founder & CEO

At Easyway Engineering Services, our mission is to ensure every project and inspection meets the highest standards of quality and performance. We are committed to innovation, customer satisfaction, and technical excellence.
